

WHERE ARE THE CONTRACTS? SECTION 3 CONTRACTOR TRAINING PROGRAM

Sponsored by Neighborhood Development Center

Plan It! An Entrepreneur's Guide to Success

What: 10 classroom sessions. 10 individual meetings with your instructor.

When: Tuesday evenings • 6:30 - 8:30 • Starts late January, 2013

Where: St. Paul location

Cost: \$100 - \$600 (scholarships available based on household income)

Do you own a construction company or do you work in the construction trades and want to start a construction business? This training program will help you:

- Think about organizing and positioning your business
- Learn how to become section 3 certified (and how section 3 certification can help your business)
- Understand your cost structure
- Learn how to market your business and secure more work
- Understand how to apply for and secure financing

Instructors: Claudia Osterman and Eugene Johnson have more than 40 years combined experience operating small businesses and working with small contractors
